Re No. 1887 of 1899.

R. H. Campbell. Esq.
of COLLECTOR AND DISTRICT MAGISTRATE,
North Arcot,

TH

Plague Commissioner,
Madras.

SIR,

SIR,
With reference to para 2 of the weekly report submitted by the Special Plague officer, Kutcham, for the week ending 4th May 1899, I have the honor to recommend that the detachment of sepoy on plague duty at Kutcham may be withdrawn at once.

2. I request that you will kindly instruct me as to the disposal of the ambulance staff in Kuppam. Plague is gradually dying out in the Mysore province and there is at present no fear of the plague spreading into this district from that province. There is therefore no immediate necessity for

the staff. but it is very probable
that plague may break out in
this district as soon as cold
weather sets in and a staff
trained and kept ready for
work will be found very useful
then. I recommend therefore
that this staff need not be
dispersed. The 2nd ambulance
staff at Bellary is no more
necessary.

I have the honor to be,
Sir,
Your most obedient servant

Abraham Adonijah
