Order—No. 21, Dated 15-3-1897.

Myrmay & L. Saitan on stopped at the residence of the District in fo. 275 P 2 2.2.29. &)
 Consider that nothing should be done without consulting him. He doubts the prohibition of the festival in serious effect to the income of the temple, but this is a matter that can scarcely be considered. One of the parties telegraphing describes him self as Agre Srisaitan, & another is a Chandra. As a similar letter received has a 1/3/88 from L. S. Saitan. I have endorsed the letter with address the District, at

Those recommendations being in
 the future as absolutely prohibited.
 I don't see what else can be done.
 The endorsement may, if it is con-
 sidered desirable, be voted to John,
 so that he may act as he thinks fit.
 I doubt if he has any reason to reconsider
 his decision. If handicapped people
 are admitted, it will be practically im-
 possible to exclude Patti's kind people, for
 the same reason.
