1 hour 1/2 for in 2 rps
the scissors, & bill
the scissors concerned.

In Order of.

The cost has been ordered to be

met from local or municipal funds but it is desirable that the scissors should be supplied through the local administration, so that there may be departmental control over the stationmaster in regard to their use & custody. Otherwise the stationmaster might complain that the scissors supplied for by others are useless or there might be difficulty in holding anybody responsible in case of loss
