Supply of scissors to the
Station masters.

FOR ORDERS.

In P. C. Proceedings No 461
of 21.2.99, it was ordered
that the Bombay System
of cutting off the right hand
lower corner of the tickets
of passengers coming from
infected areas should
be adopted in lieu of
the existing system of
writing the word "plague"
in red ink upon the tickets
& that this system should
come into force at all the
stations except those to
which punches were al-
ready supplied. In the
same Procs., the Collectors
were asked to determine
the no. of stations to which
scissors

scissors shd be supplied, & arrange with the Ry. authorities concerned for their supply.

The Agent S.D.R. subsequently in his letter No R. 1563/4261/774 dt 13.3.99, reported that for uniformity sake, scissors should be supplied to all stations, & in reply thereto, the P.C requested him in his P.O. No 724 dt 15.3.99, to furnish the necessary scissors & bill the Collector concerned. Now the Agent S.D.R. states that the Collector of Chingleput takes exception to his supplying scissors to all stations & that in the Collector's opinion, it is enough if to supply scissors to the Conjeevaram station only.

It seems better that all station masters shd be supplied with scissors, & the Collector may be informed accordingly. The cost will not be excessive.
