SIR,

With reference to your letter No.

, dated the

of

189 , I have the honour to

bring to you

notice that the telegraph linemen stationed at Arkonam reports that on the 28th February he returned from interruption duty and was given a passport to report himself to the H. Police for 10 days.

Considering that this man did not stay in any plague infected area while out on duty, it seems to me that the Plague official at Arkonam has exceeded his powers.

This liveman was ordered out on the 2nd march on special repair work, but has been unable to leave Arzonam on account of the passport as he is not going to any place where he can get the passport signed.

Under these circumstances I shall
be

Regulations do not
prohibit his going
anywhere, provided
he reports himself
at the new place

be obliged if you will issue orders
to all plague officials on the railways
in the Madras Presidency to allow
telegraph officials to proceed on duty
at any time, after being disinfected
if necessary and that passports should
not in anyway cause the detention
of the men when ordered out.

An endorsement on the passport
that the holder is leaving the station
should be sufficient.

I have the honor to be,
Sir,
Your most obedient servant,

Superintendent
Madras Division
