To
the Plague-Commissioner,
Madras.

Sir,
I have the honor to request
you to kindly inform me on
the following question:
I read in the Plague-rules, that
"Every person arriving from any
place declared to be infested with
plague shall, before leaving the
railway-station, at which he has
alighted... obtain... a passport etc."
Presently Ambar station together
with the whole Vellore-taluk has
been declared to be infested.
I myself obtained a passport,
when travelling from here to
Patalur on the 3rd Feb. - But
a schoolmistress in my service,
going from here to Madurai -
thence via Arasam and Elivag.
left on the 4th Feb. and returning

Res. F. Mohu, Ambur

Sir,

In reply to your letter
of the 11th instant, I have
the honor to request that
you will be good enough
to furnish me with in-
formation on the following
points.

(1) Whether the schoolmistress
in question broke her
journey & rebooked at
any of the intermediate
stations before she reached
Madurantakam,

(2) Whether she held an
inoculation certificate.
The Government has ordered
that all persons coming
from infected areas, or
from places which, though
not declared infected,
are notified for purposes

of Passport Rules, ^{shall} ~~should~~
be bound to take out
passports at their ^{places of} desti-
nation, unless they hold
certificates that they
have been inoculated
by Haffkine's Process,
provided such certi-
ficates bear a date not
earlier than six months
but not later than 10 days
previously. ~~I should think~~
~~that the schoolmistress~~
should have obtained a
passport, if she held no
inoculation such certificate.
I have so.

The Tabalong Madmantakam

Sir

With reference to your endorsement current

No. 20 988. dated 4-3-98. on Ref m Cas 2750 dated 3-3-98 for

the execution of the Chng. put. I have the honor to state

that I address the station master of Madmantakam, on the

subject who is hereby informed that no passenger arrived

here from Arkham on or about the 4th Feb 98 and that he

issued no passport on that date.

While making further enquiries, a notice

Christian woman by name Mrs. C. Phillips appeared in

before me last evening for observation with a passport

No. 2581 dated 4-3-98. issued at Arkham. She comes

from Arkham and this is the very woman who is in

the service of the Rev. F. Mohr and who came here in

from Arkham on the 4th and returned on the 7th Feb 98. i.e.

Now she has come again to Madmantakam exactly the

after one month. She says that on the 4th Feb 98 she

took a ticket from Arkham as far as Arkham

and reached Arkham the very evening where, she says,

she was not given any passport though she arrived

by the doctor. Taking another ticket she continued her

journey on to Chng. put. where she arrived at about

8 the same night. There being no train for her to travel

to Madmantakam then, she stayed there and started next

day with a new ticket to Madmantakam which she

reached at about 10-30 A.M. She stayed here in her

host's house till the afternoon of the 7th Feb 98 when

she returned to anchur taking the evening
mail train.

3. She says that she thought that Anchur
was not an infected area, that she was
not therefore given a passport by the doctor
examined her at Arkonam and that it
was not necessary in these circumstances to
obtain a passport at Madmantakam.

4. It is a pity that I was not able
to know of her arrival, probably as she
did not stay in the town but was put up
at her sister's house which is a little
far away from the town. The pass.

Not issuing officer at Arkonam, I think
is the person in this case who should have
issued a passport to the woman, which
she alleges there.

5. The statement made by the
School mistress in question, the letter,
from the station master and your
enquiry are here with four more.
