PLAGUE COMMISSIONER'S OFFICE

(189)

CURRENT No. 346

For orders. no such application has yet come from the other D.C. & it is presumed that the number of female passengers from Mysore is not unwelcome as when plague first broke out in Bangalore. On the other hand, people who left Mysore then are now returning.

[Spare copies when will be made?]

SUBJECT.

Requesting to sanction the establishment of a nurse on Rs 15 to each of the 4 Road Frontier Inspection stations for the purpose of examining female travellers.

This report is contained in C No 4023, which will be again submitted for orders with 2 reports relating to the D.C. Plague is decreasing both in N. West & Mysore & the Collector himself is not in favour of maintaining these road frontier inspection stations. The following draft is submitted.

G.O. No. 733 Mys 8/17-5-88

Plague is decreasing both in N. West & Mysore, and from the Collector's letter, Mysore 22/4/88, it appears that he is not in favour of maintaining the road frontier inspection stations. Under these circumstances, the appointment of inspectors at these stations seems quite unnecessary.

In the Col. of N. West. (210) Dept. 175

NORTH ARCOT, COLLECTOR'S OFFICE,

Chittur dated 17th March 1899

Re No. 974 of 1899.

FROM

J. H. Batten Esq. I. C. S

ag. COLLECTOR AND DISTRICT MAGISTRATE,

North Arcot,

TO

THE

Plague Commissioner,

Madras

SIR,

The medical officer in charge of the Road Frontier Inspection station at Alakuppam on the Mysore Frontier represents that some of the female travellers especially Muhammadans object to being examined by the medical officer and requests that a midwife or a native nurse may be appointed to inspect such females. The request seems reasonable and I have therefore the honour to request that you will be so good as to sanction the entertainment of a nurse on a salary not exceeding Rs 15 to each of the four Frontier Inspection Stations

Stations in this District.

I have the honour to be,

Sir

Your most obedient servant

Chamachandrupur
