C. No 3081 of 99

For orders.

This intimation slip was
issued at Dakala, R. Arch
D.. On a reference made to
the 'Postal Directory', it does
not appear that there is
any village by the name
of "Ellore Warthandi". It
is possible that the passenger
instead of reaching the
place mentioned in the
intimation, broke his
journey somewhere. His
ticket must have been
punched & as such, he
would have been given
a passport where he
alighted.

With reference to para
2 of the Collector's Sndt, all
Collectors may be requested
to issue necessary instructions
to the officers in charge of
R. frontier insp. stations
to note down, as far as
practicable, correct address
of passengers.

 way of being that they are carried

 bring any omission or irregularity
 promptly to the notice of the officer at
 fault. The intervention of the S.C.
 in this matter does not seem
 necessary
