Proceedings of the Plague Commissioner.

READ—

Letter from the Collector of Salem dated 27th April 99, Ref No 799/P.C.

I have the honour to state that out of the provision made in my budget for the Jalarpet Inspection Station, that for 4 Hospital assistants and 4 Inspectresses only has been transferred in G.O. No 520 Financial dated 17th Instant to Provincial, the rest being treated as Local. The entire charges including the Staff at the Camps and the cost of their construction and maintenance are, I consider, required in the general interests of the Presidency and therefore for general control as defined in G.O. No 479 Financial dated 4th April 99. For purely local purposes the Camps and their Staff are not necessary and such an enormous outlay would never have been dreamt of. The Salem District does not benefit by the Inspection Station and Camps which are an indispensable adjunct to it any more than other districts. The case is, however, perhaps different with regard to our Road Frontier and ghat Inspection Stations. I think therefore and strongly urge that the entire expenditure of the Jalarpet Inspection Station including the shed should be met from Provincial Funds. Pending your orders I have directed that the bills should continue to be passed from Local Funds—

Progs: No 1209, dated 30th May 99

accounts should be made with effect from 1st April 98 as directed in para 6 of G.O. No 479 Fin dated 4th April 99.

2. The Collectors of Kistna, Kurnool, Bellary, Anantapur, North Arcot, Coimbatore, Chingleput and South Arcot are requested to take similar action with regard to the Railway Inspection Stations in their Districts. Plague Commission's Proceedings No 1168 is cancelled. The charges referred to therein ²⁸⁻⁴⁻⁹⁹ should be charged to Provincial Funds.

3. The question whether the G.O. quoted above refers to road frontier Inspection Stations and observation ^{circles} has been submitted for the orders of Government.
