S.O. 20215 in appears I have been passed
without reference to the A.C. & is opposed to the
account principles enumerated by the A.C.
on page 3 of S.O. 20696 in d/15-1-1901. These
principles seem to have been presented by the
Comptroller General & I thought it safe to make
a reference to the A.C. before giving effect to the
new S.O. which involves a radical change in the
accounts.

The S.O. has already been communicated
to the Comptroller by the Govt itself.

The S.O. is now being followed.
