TO

THE Plague Commissioners,
Madras.

SIR,

I have the honor to inform you (for such action as you may deem fit to take) that the enclosed general pass was granted to Kuppusawmy Indalilar and his family at Bangalore. This pass authorizes the traveller to reside in Vellore, Chittoor taluk, (apparently a mistake for Vellore taluk). Subroza Indali, one of the travellers, reached Vellore by road and remained there for 3 days. He then left Vellore and travelled to Arambakkam, Tiruvallur taluk, after halting at Panapakkam and Paranthipattai.

2. A copy of the regulations framed by the Mysore Durbar for the cities of Bangalore and Mysore is not available here but I presume that Regulation 7 of these Regulations corresponds with Regulation 32 of the Imperial Regulations framed by that Government. Regulation

32 of the latter says that general passes do not to
 come residences outside the infected area and
 such being the case, it seems to me that the
 pass in question should not have been given
 to travellers to Vellore which is not within the
 infected area.

I have the honor to be
 Sir
 Your most obedient servant,
 J. C. Hector.

I have the honor to inform you that
 one of the travellers, named John, who
 had the enclosed General Pass was present at
 the funeral of his father and his family at
 Bangalore. This pass authorizes the traveller to
 reside in the town, Chittrale taluk, (apparently a
 taluk in the district of Bangalore) and to travel
 one of the travellers, named John, who
 and remained there for 3 days. He then left Bangalore
 and travelled to Bangalore, and then to
 Bangalore, after having at Bangalore and
 Bangalore.

2. A copy of the report was framed by the
 Government for the use of the Government
 and the same is now in the hands of the
 Government. The Government of the Government
 has been informed of the Government of the Government
 and the Government of the Government of the Government.
