SIR,

Enclosures.

With reference to para 4 of your letter no 1026 dated 27th December 98, I have the honour to state that the Deputy Tahsildar who was assisting the Plague Deputy Assistant Commissioner, in Plague work was sent back to his permanent place:

As plague has spread from Guntakal to Kottala, Komakondla and other neighbouring villages, it is difficult for the Deputy Assistant Commissioner to attend to the work promptly in the several villages, in addition to the payment of compensation supply of things required to the camps, checking their issues, keeping accounts of tents & looking after them &c.

I request therefore that you will be good enough to sanction the appointment of a store keeper on Rs 50/- with 2 peons and
