CURRENT No. 8925

Submitted that the proposal should be negatived. I understood that has negatived the P. C. proposal to grant a plague allowance to Police, Salt-pans, clerks & employed in plague duty. The P. C. has already been drafted. The proposal is it is submitted he negatived. If plague spreads - it will be a very awkward mess & such.

Returned, as the Plague Commr's appointment has been abolished. It is doubtful whether Government would sanction an increase of pay to village servants merely to encourage them to do their duties during plague & at any rate the charge, if sanctioned, cannot be debited to the plague budget. A copy of P. C's Prop No 1169 of 28.4.99 is enclosed for information.

SUBJECT.

Desiring to have an expression of P. C's opinion on the question of temporarily raising the pay of 5 taluqdaris and 8 vettes in certain villages of the Alwar Taluk, Bellary Sh. in order to encourage them to do their duties during the plague.
