SOUTH CANARA COLLECTOR'S OFFICE.

Mangalore

6² March 1899

FROM

A. F. Purkey Esq.

COLLECTOR OF SOUTH CANARA.

To

THE

Plague Commensurée
Madras

SIR,

I have the honor to inform you that it is hardly possible to send the printed list of plague establishments from this district so as to reach you on the 5th. The return is to be compiled from those received from divisional officers & who cannot be expected to send them prior to 1st of each month as the changes made till the last day of the preceding month have to be exhibited therein. It requires at least 2 days to prepare the consolidated return and get it printed. Then it takes 4 days for the return to reach you after it is posted. So much delay in transit does not, I believe,

occur in the case of any other district
as every other district is connected by
railway. In these circumstances I
request you will be so good as to
extend the time from 5th to 7th in the
case of this district though every
endeavour will be made to submit
the return earlier, if possible.

I have the honour,
Sir,

Your most Obedient Servant

for Ag. Collector

Comps
J. H.

1,000-4-10-98.

NOTE FOR THE S. C.

The review of the Estimate
may be deferred till the Estab-
lish is received i.e. the 7th inst.
List will then be required.

Registered

Enclosures

Spare copies

A regular list (in manuscript) containing the whole of the plague list is not proposed to be collected but only a note containing the changes that have taken place since the submission of the printed list in the previous month. We can safely review the estimate of the submission of which on the 5th last we received no objection - with the list of the Collector's note of the subsequent changes.

SUBJECT.

List of plague establishments

Requesting to extend the date of submission of the

from this 5th from 5th

to 7th for reasons stated

within

Please see addn
