NOTE FOR THE C.C.

The Plague Commr sanctions the indents recd from officers in charge of Inspection stations and presumably the medical stores supply them. We don't get indents from Municipalities and from Captain Ffrench's letter recd yesterday it would appear that they buy them in the market. We have no correct information here.

In a recent communication the S.G. said that he passed on the indents to the medical stores

NOTE ~~FOR THE~~

I asked the Public dept. about the supply of medicines disinfectants &c to Dt. Municipalities and they referred me to the L & M dept. and the orders of that dept. are put up. From G.O. 2067 L / 27-10-98 it would appear that all L. Bds. ~~Dt.~~ & Municipal Council should obtain ~~the~~ medicines &c from the Madras Medical depot from 1 April '99 ~~[illegible]~~ ~~they [illegible]~~ how they seem to get their requirements partly from medical stores & partly by purchase.

~~[illegible] G.O. [illegible] / 23-5-98~~

~~recorded in this Office~~

~~it would appear that~~

~~the supply of perchloride~~

~~of mercury from medical~~

~~stores is ^now not provided to~~

~~Municipalities.~~

Submitted to the P.C. There are no papers on the subject in this Office.
