PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:-

Reference from the Board of Revenue, Land Revenue, A.No.65 dated 22nd March 1899:-

Read endorsement of the Plague Commissioner, Ref. on C.No.2591 dated 13th March 1899 on letter from Bannatyne Macleod Esq., Col-lector of Anantapur C. No.621/P dated 8th March 1899.

Reference A.No.65, dated 22nd March 1899.

The Collector of Anantapur requests sanction ^{for} the enter-tainment of an additional clerk on Rs.30 in his office for the disposal of work in connection with plague and for raising the pay of the temporary Head clerk from Rs 30 to Rs 45. It is stated that owing to the spread of plague from Taluk to Taluk and village to village and the opening of many observation circles, the work in the Collector's office by way of correspondence and the sub-mission of returns and reports has greatly increased and that the existing establishment consisting of one clerk on Rs 30 and another on Rs 20 is unable to cope with the extra work. Mr. Mac-leod points out that in other districts which are not so affected as his, the Head clerk gets Rs 45 and that there are two assist-ants. The Plague Commissioner considers that no good case has been made out for the raising of the head clerk's pay- an opinion in which the Board concurs - and adds that though the plague work of the district should be decreasing, it is possible that a second assistant is wanted. In these circumstances, the Board recommends that sanction may be accorded for the entertainment of a temporary clerk on Rs 30.

2. There is no provision in the Plague Budget estimate to meet the charge. It is presumed that the Plague Commissioner has taken the necessary steps to include the expenditure in the

Budget estimates for 1899-1900.

Indorsement of the Plague Commissioner thereon, Ref. on

C.No.3526, dated 20th March 1899:-

Forwarded. Necessary provision ^{will} be made in the monthly plague estimates when the clerk is sanctioned.

Accountant-General's Report thereon, No. A.D.S. dated 10.F 15th April 1899.

The entries in the column of "Present Scale" have been compared with the Registers of this Office, and are correct with the exception of the appointment of one temporary clerk on Rs.20/- for Plague work shown in the column "Present Scale" for which sanction of Government has not been obtained. There is no account objection to the sanction being given and the proposals are within the sanctioning powers of Local Government.

But a reappropriation is necessary to provide for the pay of one clerk on Rs.20/-

O.R.D.F.R. thereon No.1660 dated 4th May 1899.

The Government does not consider it necessary to sanction an additional clerk on Rs.20/- in the Collector's office, Anantapur, the district being practically free from plague. The entertainment of the temporary clerk on Rs.20/- already employed, is now formally sanctioned.
