NOTE FOR THE Secretary.

The map received from the P.W.D. (Ry branch) does not help us in checking whether stations are shown under proper districts. Neither the Alphabetical list of villages arranged according to districts prepared by the Settlement Dept. nor the Census list of villages is available here. With the help of the Postal Directory which is available here, it is not possible to clear all cases of doubt, some places not being found in it, e.g., Markapur Road (Kurnool or ~~Kistna~~ Nellore?), Yellakuru (N. Arcot or ~~Salem~~ Nellore?). It is submitted therefore that the list as now prepared may be forwarded to the Resident with the intimation that it is being verified and that any alterations which it may be found neces

Poddili Taluq of Nellore district

to make therein will be communicated to him in due course. If this suggestion is approved the following addition may be made to the draft letter passed by the Secretary yesterday "The list is being verified and any ~~corrections~~ alterations which it may be found necessary to make therein ~~and~~ will be communicated to you ~~in due course~~ as soon as possible."

The list may perhaps be sent to Collectors for verification and return.

NOTE FOR

Secretary L & M. Dept.

We have no ~~inform~~ maps which show accurately the divisions between districts and it is therefore impossible to verify your list of Ry. stations by Districts. To correctly verify the list we would have to send it to the respective Agents & they would refer it to the Chief Engineers who would probably have to still further refer it to the District Engineers & I judge by the papers put up that the matter is too urgent to admit of such a delay. I send a map showing Railway Stations alone; which may be useful in verifying the list.

In reply to ~~Captain Erskine's~~ Asst Resident's letter to the Plague Commissioner Madras, dated 27th April 1899 No 1908 P., & his telegram dd 17-5-99, I am directed to state that a weekly telegram regarding infected districts ~~will be sent~~ is being sent every Monday since the receipt of his letter. With reference to para 3 of the letter under reply I am to forward a list of stations in the Madras Presidency arranged according to districts. ^

To

3. There is one more request I am to prefer viz that a list of Railway stations in each District in the Madras Presidency may be once and for all sent to me. It is difficult for this Office to say from the maps available at exactly what Railway station one District begins and ends. Such a list need only mention the first and the last Railway Station in each District, it being understood, unless the Contrary was stated, that all intermidiate stations were in that District.
