DESPATCHED
9-DEC. 1898

From P. H. Shipley Esq.,
Collector of Trichinopoly,
To the Plague Commissioner,
Madras.

Sir,
With reference to your telegram
dated 7th instant, I have the
honour to inform you that the
estimate of Plague Expenditure
for December 1898 was despatched
from this office on the 6th instant.

I have the honour to be,
Sir,
Your most obed^t & serv^t;

Mundacahar
& Collector.

NOTE FOR THE *Plague Commission*

Para 3 of G.O. No 574 P.

of 25.5.98 prescribes the submission by Collectors of monthly estimates of plague expenditure. Under para

3 of G.O. No 268 P. of 11-10-98,

these estimates should reach the *Plague Commission* not later than the 15th of each month.

The estimates of for November were criticized in detail in this office & have just been reviewed by the *Plague Commission* of 20.11.22. This G.O. of 20.11.22.

was issued only yesterday & has not even been reached all Collectors. ~~The instructions contained in this order are too~~

late. But most of the estimates for December have been already prepared & the instructions contained in G.O. No 1122 P. of 20.11.22 can be attended to only when preparing the estimates for January. Under these circumstances, it is doubtful whether

whether any useful purpose
will be gained by criticizing
the December estimates in
detail. There have been no
important changes since the
November estimates were dealt
with in this office, and these
estimates as sanctioned by Govt
will hold good for the current
month also. The December
estimates may therefore be
simply transferred to the
Department. Of the 22 budgets
due on the 5 instant, 17 have
been received,

5 on the 5th
5 on the 6th
2 on the 7th
4 on the 8th
1 on the 9th

still due being

received too late and the
instructions contained therein
will be attended to in the preparation
of the monthly estimates for
January next.
3. Most of the estimates were
received late. A circular has
been issued, drawing attention to
the necessity for strict punctuality.

NOTE FOR THE Financial Dept.

Plague estimates for December 1898
received from the President Municipal
Commission Madras and all the
Collectors except ^{that of} Anantapur are
herewith forwarded.

2. P.O. No. 1722 Fin. of 28-11-98
reviewing the estimates for November
last, appear to have recently been
issued to Collectors only in the 9th
month when most of the estimates
for the current month have
already been prepared & received
in this office, and the instructions
contained in the said P.O. can
be attended to only when preparing
the estimates for January next.

No remarks have therefore been
offered by this office on these
estimates. Besides no im-
portant changes were effected
since the estimates for November
were dealt with.

The estimates from some of the
Collectors were received in this office
long after the due date (5th inst),
and all the Collectors have now
