SANITARY COMMISSIONER FOR MADRAS,

To

THE

Plague Commissioner
Madras.

Enclosure.

SIR,

On two previous occasions, the Govt. sanctioned this. Cf. para 4 of O. 1105 17-9-96 but this was before the P.C. was appointed. The P.C. sanctioned a modified proposal in para 2 of his letter No. 8847-10-96. The Sanitary Commissioner's proposal may be sanctioned by the P.C. under para 2 (2) of S.O. printed on page 96 (b) of the Plague Manual.

I have the honor to inform you that the supply of Temporary Sanitary Inspectors is now exhausted. It is, therefore, necessary that I at once proceed to assemble another class for training fresh men. It is unnecessary to fix any specific numbers, as it would be desirable I should train all I can get as successive efforts to train imply a great tax on my time; it can be explained to candidates that their chance of employment will depend upon continuance of plague, and that those who pass high in the list will be given

appointments prior to those who occupy a lower position.

2. I request sanction for allowing candidates the usual terms, namely, to those who pass the examination successfully half pay without allowances during the period actually spent under training - to be recovered on first appointment to a District.

I have the honor to be

2. As to the lesson for officers I shall be ^{sorry} if you will kindly quote the authority for your reference in paragraph 2 of your letter under reply, as I am unable to trace it. I am not in a position to know if the hopes of men for Civil Inspector posts is likely to exceed the demand for them. It is trusted that with the advent of the hot weather the demand for such men may cease. If the supply is likely to exceed the demand, it will be made due to the Committee that concessions will not be granted, not to all the best the Exams, but only to such a number of those at the head of the list as ~~is~~ is actually required at the time of Examination.
