---

In reply to your Ref on c no 757 9 d/ 3.3.99 I beg to submit a copy of my arji no 284 dated 19.2.99

2. The duties of a camp clerk are as follows:-

(1) To attend to the supplies for (a) Plague camp (b) segregation camp (c) Ambulance staff and (d) officers on inspection duty

(2) To get materials for disinfection work.

(3) To get fowls eggs, sheep Etc for sepoys and to sell firewood and to keep regular account of the same.

(4) To attend to the construction of plague segregation and other sheds and to keep accounts of the same.

(5) To supply cloth to encase dead bodies salt, Etc for the preparation of lotion and to keep account of the same

(6) To attend to emergent correspondence such as messages of attacks and deaths and daily reports in the absence of the Jahsildar who has general inspection plague

to attend to and to prepare bills of plague establishment and also to give intimation to the local authorities concerned of the persons that leave an infected area to live in other villages.

(7) To attend to village Sanitation and to make payments to the coolies engaged by the sepoys and for Sanitation purposes, and to keep account of the same.

(8) To provide lights to the detachment guard and also to the Police guard

Besides the above he has to attend to various other duties arising in the camp.

3. Only as many peons as are absolutely necessary are asked. They have already been entertained in obedience to your Memo No 723 P dated 27.2.99. Two are working in Tiruvaigai where I have left a clerk on the Regular Establishment to attend to the duties that arise there. A detachment of sepoys has gone to-day there for disinfection. Two are working at Alur. One peon is daily deputed to bring the necessaries of life to the persons segregated in one camp and to the plague patient. The other peon attends to miscellaneous duties such as having an eye on the goats supplied to the Hospital Assistant for milk to pursue patients, taking telegrams to stations, to be in charge of the materials stocked for sheds &c.

Returned

2 The Tahsildar has not answered the Commissioners' query whether the man entertained can do his work without a pony. Is not the clerk required to report on the health of the people in the camps? Who does this work? Clause (5) of para 2 is not clear. For what purposes are the coolies referred to in clause 7 employed by the sepoys? Clause 2 and first part of (7) is the work to be done by a member of the Ambulance staff or by Asst Plague Inspector and 1 + 3 by the Village Officers.

Reply

1 The clerk can do the work without a pony if he is not required to report on the health of the people in the camps - I have already submitted that it is not possible for one man to visit all the camps every day owing to the large area over which they are scattered. This work I have now entrusted to the Union establishment as it has very little work to do

2 The dead body of a plague patient is smeared in a piece of cloth well soaked in lotion before it is buried. The cloth is to be supplied for this purpose. The medical Officers require salt to be mixed with lotion.

3 Sepoys have employed 20 coolies to help them in disinfection work. They are to be paid every day

3 (2) part 7- is done by the Assistant Plague Inspector.

4 (1 & 3) The Reddi is unable to do this work for he has Collection work now.

It is understood that the clerk is to perform the duties of an assistant sanitary inspector, &c, ~~in this endorsement~~ if this is correct, the appt of a clerk on Rs 20 for Alur taluk is sanctioned. The necessity for so many as 4 peons is not quite clear. The Collr will report as early as possible the results of the first month's working.

To

The Collector of

Bellary

I beg to state that plague has broken out at Alur. Plague operations are going on at Padsha Chinnalotlur there was one plague case. It is not possible to get daily reports from different places without an additional clerk and peons. One clerk and four peons are quite necessary for each infected village to look after the various duties that arise there. I therefore request that a general sanction may be accorded for appointing one comp. clerk on Rs 20 and 4 peons on Rs 6 each for each infected village.

in the Taluk and village after village is being attacked, the work in connection with it is daily increasing. It is not possible to manage the plague and other correspondence connected with it without a plague clerk in the Taluk office. It is well that a plague clerk on Rs 20 be allowed for this Taluk

NOTE FOR THE Circ 2355/99

The Taluk of Alur wants general authority to employ one clerk on Rs 20 and 4 peons each for each infected village. Apparently they are meant exclusively for plague work and therefore may be sanctioned by the C.C., the Charge being direct. But the clerk is designated "additional Camp Clerk". It is not understood what is meant by this. Perhaps it is meant that the clerk should be attached to the plague camp in the village and not for the Taluk Camp.

2. Further reports should be sent for each infected village. No particular and urgent application has been received from the Collector and it has not been explained why other Taluks require the sanction exceptionally. Apparently the
