With reference to your Proceedings No. 483 dated 22.2.99, requesting to state whether the Medical Staff employed by the Anantapur Municipality for Plague work, cannot be had locally at short notice, I have the honor to forward herewith Copy of the letter Refon enc. 483 dated the 9th instant, received from the Chairman, Municipal Council, Anantapur.

view that it may be ready in times of emergency.
As has happened today in case of a servant of the
Superintendent of Police who was ordered by the Additional
Medical Officer to be kept under observation at Suspek
in the prison, attended with fever.

Further, of late, there used to be, at times, an influx of
passengers from the affected areas of the Sindapur Taluq
and it is to be expected that at any time there
may be discovered a suspect case.

It has also been arranged that the Plague Hospital
Assistant should disinfect incessantly every person
coming from any of the infected villages of Sindapur and
this work necessitates the maintenance of a separate
establishment for it, but one will not be entertained
so long as the existing staff has not work at the sheds
and can attend to the disinfection work.

I have the honor to be

Sir,
Yours most obedient servant
