To

Department,

Madras.

Sir,

In reply to your Memorandum
Reference On Current No. 4629 Local
and Municipal Department, dated
10th May 1899, I have the honor to report
as follows:—

2/. On a reference
made to the Plague Commissioner
in this office letter Reference on Current
No. ³⁴² P 2 dated 13-1-1899, on the subject
of boarding allowance to Nurses &
attached to the Ambulance Staff,
he informed me in his Proceedings
No. ²⁰⁵ ¹⁴, dated 20-1-1899, that they
could draw only Rs 100 that until
they

they were sent to do active duty in an infected village, the extra allowance prescribed in Government Order No. 455 P, dated 9-5-1898 should not be given and that this Government Order is subject to the restrictions in Government Order No. 522 P, dated 1-6-1898, which lays down that the terms sanctioned in the former Government Order apply to Nurses that may be employed to attend on patients in plague hospitals, to accompany search parties or to do other arduous work when plague actually breaks out.

As none of the nurses attached to the Buddapah Ambulance Corps were sent to do outdoor duty in January 1899, the Treasury Deputy Collector disallowed the claim for the allowance and passed only the pay for that month. The Order of the Plague Commissioner being dated 20th January 1899 should not

not have been brought into force with retrospective effect.

3/. The Treasury Deputy Collector in his note explaining the reasons for making deductions requested orders as to whether the allowances already drawn by the Nurses attached to both the corps at Buddapah and Madanapally should not be recovered.

4/. I recommend that payments may be made as before up to the end of January but not for February 1899, and that overpayments made in the past need not be recovered from these temporary servants.

I have the honor to be

Sir,

Yours Most Obedient Servant

To The Plague Commissioner

Madras.

SIR,

I have the honor to address
you in the matter of your
proceedings No. 205 dated 20th
14
January 1899.

In deference to the collector's
letter dated January 13th, 1899
objecting to the high salary
of the ambulance staff nurses
you disallowed the Board
allowance of Rs 1-8- per diem.
The copy of your proceedings
only reached my office on
the 9th February 1899, and
I presented the nurses bill
for the month of January '99
claiming Rs 100/- per mensem
plus Rs 1-8- per diem board
allowance. There was no
reference in your proceedings
as

as to when your order
should come into force, so
I concluded that the pay
bills for January 1899 should
stand as usual.

The Treasury Deputy Collector,
however, deducted Board
allowance for the whole
month of January '99
although your proceedings
were dated 20th January '99,

the strictest interpretation
of which would only
allow a deduction from
that date. I contend,
therefore, that Board
allowance is due to the
nurses up to the 20th of
January 1899, if not for
the whole month.

I request you, therefore,
to be good enough to
instruct me as to whether
you intended your
order to be retrospective;

if

if not, whether the nurses
may claim this allowance
up to the date of your
proceedings.

I may state in justification
of my referring the matter
to you that I have on two
occasions addressed the
Collector of Buddapah on
the subject, but I have
not been favored with
a reply.

I have the honor to be,

Sir,

Your most obedient servant,

W. Benton Hughes Esq

Sq Dist Meol Santy Per

W.H.
