THE

Plague Commissioner
Madras.

SIR,

Enclosures.

I have the honour to state that there was some mistake as regards radius of the observation circles formed in Kaligudi Taluk. The Deputy Collector of Anantapur was asked in this office to No 630 of 18.2.99 to map out the Western side of the Kaligudi Taluk bordering on Mysore Frontier into 10 miles circles and the District Officer to whom the Deputy Collector communicated this office order misunderstood it for 10 mile radius, divided the Western portion of the Taluk into 3 observation circles with a radius of 10 miles and submitted a map accordingly.

This mistake was found out only after the formation of circles was sanctioned by Government.
