SOUTH CANARA COLLECTOR'S OFFICE,

No. 161/88

Camp,

Mangalore
15th March 1899

FROM

J. F. P. Esq.,

COLLECTOR OF SOUTH CANARA,

TO

THE

Plague Commission

SIR,

I have the honor to inform you that experience has shown that 2 Constables sanctioned in your Proceedings No. 692 dated 16th November 1898 for duty at Road Frontier Inspection Stations are insufficient to watch the passengers and to enforce the Regulations at these camps especially as it is necessary to patrol the road near the stations to some distance to prevent foot passengers escaping through by-paths. We have also to take into account the extreme unhealthiness at this time of year of the places where the camps are located. It often happens that one or both of the Constables are attacked with fever and

considerable difficulty is experienced until they are replaced. It seems to me therefore that at least 4 Constables should be appointed to each Station, so that the Stations may be worked in a really efficient manner.

2 I therefore request your sanction to this arrangement. This will not however, I think entail special cost, as the District Police Reserve will I believe be able to spare the additional men required since the proposal involves the deputation of only 2 men in addition to the 4 men now at free from this duty owing to the closing of the three Sargady & Lemashin Stations as referred in your Proceedings of 20th Sept.

4th March 1889
I have the honor to be, Sir, your most obedient servant,
