Sir,

I have the honour to refer you to Correspondence which has already passed with regard to the Station Staff of Gera Guntha Station, issuing passports. Your No. 617 of 26th August last and my letter of 28th idem are Cases in point.

The Station Staff is very limited and so many districts are now considered to be infected, it is quite impossible for the Station Master or his assistant to undertake

The

the work of issuing passports permanently.

There is no other clerical staff at the station and I trust you will be able to make suitable arrangements for the work to be carried out. In the meantime, I have the honour to remind you that the Company cannot be held liable if the station master or his assistant fail to carry out the plague regulations especially as I am not in a position at the present time to give assistance even temporarily. All books were removed by the assistant Sanitary Inspector when he left Erraguntla.

His services had to be dispensed with last month owing to the disbandment of Corps and consequently the Station Master of that station was asked to take up the work. The District Traffic

Traffic Superintendent, Madras
Railway Company, Gooty in
his letter no. R 1113 II dated 7.5.99,
a copy of which is enclosed,
says that it is impossible for
either the Station Master or his
Assistant to undertake the work
in as much as the Station Staff
is limited. I have therefore the
honour to request that early
sanction may be accorded
for the entertainment of a
clerk on Rs 15 per mensem for
the purpose.

The expensive Sanitary Inspector
was employed for this work simply
because he had nothing else to
do, but I think Rs 15 is ample
for the purpose.
