SIR,

The military authorities being anxious that the Company of Sappers who were employed for disinfection purposes should be allowed to return to Bangalore they were sent back on the 13th April last and the Special Plague officer at Hoosur (Captain J. French) was authorized to engage the necessary Coolies for carrying on disinfection; a staff of 20 Coolies was accordingly engaged on the 18th idem on condition they are to be paid only at the rate of 4 annas a day with a daily allowance of 2 annas each when they go out of Hoosur to outlying villages and they have also been provided with a pair of Sandals

Sandals and two suits of common cloths
for working in. They have been engaged
as a permanent staff and are necessary
as cases continue to occur and dis-
infection has to be done. I request
that their employment on the terms
referred to may be sanctioned. As
soon as it is possible they will be
dispensed with.

I have the honor to be
Sir
Yours most obedient servant
