From the Collector of Salem, dated 27th January 1899.

Abstract.—Requesting an early reply to his letter requesting that a permanent advance of Rs. 10 may be sanctioned from Provincial funds to each of the additional medical officers on plague duty in the district.

From the Surgeon-General with the Government of Madras, dated 20th February 1899, No. 175.

Abstract.—Forwarding a letter from the Accountant-General, Madras, intimating that the necessary instructions were issued by him to the Collector of Salem for payment of permanent advances to medical officers on plague duty.

G.O., No. 403, Financial, dated 17th March 1899.

Read—the following papers :—

From the Plague Commissioner, Madras, to the Chief Secretary to Government, dated 2nd February 1899, Ref. on C. No. 1341.

With reference to G.O., No. 151, Financial, dated 27th January 1899, I have the honour to point out that G.O., No. 645, Financial, dated 17th August 1897, applies only to medical subordinates. It seems hardly correct to say that this expression includes medical officers of the status of Drs. Noble and Virtue-Tebbs with regard to whom the Collector of Salem made his application, and it does not include Deputy Collectors and Military officers in plague charge of districts or divisions to whom also I recommended the grant of a permanent advance.

From R. B. CLEGG, Esq., Acting Collector of Salem, to the Plague Commissioner, Madras, dated Salem, 9th March 1899, No. 625-P.C.

In continuation of copy of my memorandum No. 447, dated 26th February 1899, placing Captain French, Special Plague officer, in plague charge of the sub-division, I have the honour to request you to be good enough to sanction a permanent advance of Rs. 25 to him. He has to meet petty contingent charges and send daily telegrams regarding plague cases and the advance is necessary.
