NELLORE COLLECTOR'S OFFICE,
DATED 2nd March 1899.

Cauli Subordinate.

From C. C. Mullaig
Collector of Nellore.

To the

Sir,

Plague Commission,
Madras
Through The Accountant General
Madras.

With reference to para 2 of G.O.
No 233 financial dated 14. 2. 99 that
the sum of Rs 3-12-0 shown under
'indirect charges' - Local - in G.O. 154
financial dated 27-1-99 should have
been entered in the plague estimate for
February 99, and the total amount
received for the year estimated accordingly
I have the honor to state that the
account in question represents the
travelling allowance of the Local Fund
Hospital Assistant being drawn in -
November 98 for his journey to and
to Honahada to inspect certain -
arrivals from infected parts. It is

an 'indirect' charge i.e. a charge in-
existing institution debitable to the allot-
ment sanctioned under the ordinary
Service head - Grant III Medical Services
Vaccination and Sanitation, 24 Medical
Hospitals and Dispensaries - and
was accordingly shown in the Local
Fund Treasury Account for November 98.
(Vide para 2 General Instructions, in
G.O. no 698 financial dated 15.8.98
and para 2 of Accountant General's
Circular no 5 of 12-10-97). However,
the Accountant General having in para
4 of the above circular called for
a statement of such 'indirect' charges -
the account in question was shown in
the statement sent to him for November
98.

If it should now be entered
in the monthly plague estimate, it becomes
a charge against the plague allotment
while it has already formed a charge

against the allotment under the ordinary
Service head. The amount should, I think,
be shown in the plague estimate alone,
or under the ordinary Service head but
not in both. I request the favor of
early instructions in the matter.

2. G.O. no 899 financial
dated 19.10.98 directs that the monthly
estimates of plague expenditure should
cover all charges, 'direct' or 'indirect',
while para 24(c) of G.O. no 1122 finan-
cial dated 28.11.98 says that 'direct'
and 'indirect' charges should invariably
be shown separately. The form of
the present monthly estimates does not
provide separate headings for the above
two charges except ^{Provincial!} under
I therefore request instructions as to how the
above two charges are to be distinguished
in the monthly estimates. I have the honor to be
Sir

Yours most obedt Servant

Collector.
