SIR,

In reply to the Proceedings of the Plague Commission R.O.C No. 4393 dated the 29th April last, I have the honor to report that the District Medical and Sanitary officer is of opinion that the work done by the Civil Apothecary at Kollegal is not very much in excess of his ordinary duties but that he certainly deserves the grant of some allowance.

3. The Apothecary who has put in his claim for the allowance has since been transferred to Bhavani in this District. In case sanction is accorded

accorded for the grant of the local allowance
now recommended, I request that I may
be informed whether it is to have retrospective
effect and whether the Apothecary (since
transferred to Bhavani) may draw the
allowance for the period he was doing
Plague work while at Kollegal.
