Sir,

I have the honor to bring to your notice that in Appendix J. printed at pages 60 and 61 of G.O. No. 285 Feb. 97 dated the 22nd February 97, it is proposed to debit the Malabar District Board with a sum of Rs 21605.

This exceeds the amount provided in the District Board's revised estimate by Rs 6655.

2. The District Board with the greatest difficulty succeeded in securing a working balance for the next year of Rs 11670. The Govt. has already proposed to reduce this balance to Rs 2500. (my letter Ref on Cus. 19/27 979 dated the 18th February 97). If the Dist. Board is to be further debited with the additional Plague expenditure now proposed to be thrown on it, there will be no working balance for next year, but on the contrary it will have to be met with a deficit at the commencement of the year of Rs 4155.

3. I respectfully submit that it will be quite impossible to carry on the business of the District Board unless there is some reasonable margin for unforeseen expenditure

Sir,

Cur No 927 L

In continuation of my letter dated the 23rd Inst no 2281 of 99, I have the honor to report that under instructions from the Accountant General, the Treasury officer requested me in his letter Ref on Cur. 392^{act.} dated the 9th Inst. to ad. just a sum of Rs 4205, being the Contribution due to Provincial Funds towards the medical College, Reserve medical staff, and Sanitary Inspection, for 98-99, in the Treasury account before the close of the current official year. The amount has accordingly been adjusted.

The provision made in the current year's budget is however only Rs 3670 as shown in the margin. The amount adjusted therefore exceeds the provision in the estimate by Rs 535, which will again affect the working balance of next year by the above amount.

I have the honor to be,
Sir,

Your most obedient servant

G. W. Dames
President.
