To

The

President,
 Taluq Board, Rajahmundry
 Godavari,

Sir,

I have the honor to enclose
 herewith a copy of the Taluq Board's Resolution
 No 304 dated 26.1.99 sanctioning the estab-
 lishment of a temporary establishment
 consisting of one Surveyor at Rs 400 p.m.
 and 5 lascars at Rs 6 each p.m. for 6 months.
 I request you to be so good as to obtain
 Government sanction for the same.
 The necessary proposition statement is
 also enclosed.

The marginally noted works are the
 undertaken in the Ramachandrapur Taluq
 as Contributions have been received
 long ago from the villagers interested
 in the first 4 works. As regards the last
 2 works the water in the tanks is quite

6) Repairing Braksharama
 Sapttha Godavari

5) Repairing Yeddetta tank

2) Kalam tank

3) Ramavaram tank

4) Constructing steps to the Chinnichetty tank.

5) Repairing Ramachandrapur tank

unfit for drinking purposes owing to the
growth of vegetation. Many people
resort to Ramachandrapur and Draksharama
the former being the head quarters of a taluk
and the latter a place of pilgrimage.

3. The District Board Engineer who was
requested to prepare estimates for
the works in question, states that under
the present orders of the Sanitary Board
all these estimates have to be sent in
with such a number of a plan, cross
sections, cross sections, drainage maps,
inlets, outlets, dip wells, arrangement
to prevent drainage water going in &c and
that each one is a project in itself. He
further states that the section one sees
with his numerous works cannot, by any
possibility, cope with these extra work
and the temporary establishment in
question is necessary.
