Statement of the ryots of Punjeri
village, no 163, made before the Revenue Inspector
of Tirukkarzhikunram Firkha in the Chinglepat
Taluk.

Government having agreed to grant at our
request, lands in ^{exchange} ~~such village~~ for our pattah
lands in the Punjeri village, which were taken up
for the Mahabathipuram road, accounts
showing the sub-division of the lands have
accordingly been prepared and submitted
to the Taluk office. We will have no objection
in case land is given to us in exchange. We
want only lands in exchange for those taken up
for the roads and not compensation. As the
lands given in exchange form the waste lands
adjoining our pattah lands, the estimated
value of the lands taken up for the roads and
of those now given in exchange is the same. The
estimated value and other details of all the
lands above referred to are given below. These
valuations were entered with our consent. There
are no sale deeds in respect of dry lands in
this village - wet lands by the side of this road
have never been sold. These are of course valuable
lands. We have entered the value approximate
with reference to the outturn in the above village.
We agree to receive lands in exchange or
compensation, whichever may be given to us.
