GENERAL.

No. Pg. 723, *dated* 23*rd December* 1898.

In exercise of the powers conferred by Section 2 of the Epidemic Diseases Regulation, 1897, the Government of Mysore are pleased to make the following Regulation, and to direct that it be added as Regulation 6A to the Original City Regulations published with Notification No. 9384—M. F. 21-96, dated 10th February 1898—

(1) *Demolition of buildings.*—If, in the opinion of the Chief Plague Officer or Health Officer, or of a Medical Officer deputed by the Senior Surgeon, or, in the absence of any such officer, of the Surgeon of the District, any building (not being a hut or shed) which has been vacated or which has been dealt with under any of the foregoing Regulations, cannot be adapted to the sanitary requirements of a dwelling or is otherwise permanently unfit for human habitation, or if its existence is a source of danger, the President may demolish the same or any part thereof.

(2) *Valuation.*—Prior to any such building being demolished, the President or other officer authorised by him in this behalf shall cause the same or such part thereof as he may consider necessary to demolish, to be surveyed and its value at the time to be assessed by such person as Government may, by name or by virtue of office, appoint for that purpose, and shall, by written notice, affix, on some conspicuous part of such building, the date (not being less than seven days from the date of such notice) and the hour at which the building will be surveyed and assessed as aforesaid ; and the work of demolition shall not be commenced until the building or portion thereof has been surveyed and the value so assessed. The valuation of such building by such officer shall be final and conclusive, and the owner shall be entitled to receive the amount thereof (which shall be provided out of the Municipal Funds), but he shall not be entitled to receive any further or other sum by way of compensation.

(3) *Building materials* —The materials of any building or part of a building demolished as aforesaid shall be the property of the Municipality, and shall be removed and disposed of or, if necessary, destroyed by the President.

(4) *Rule of Assessment.*—In assessing the value of any building, regard shall be had only to the then actual market value of the structure ; and no allowance shall be made, nor shall any compensation be paid, for compulsory demolition or otherwise.

(5) *Adjournment.*—In the event of the person appointed to assess as above, being unable to complete the surveys and valuations of the houses at the hour and on the date for which notices have been issued, he shall have power to arrange with the owners of the buildings concerned to complete them on some subsequent date or dates convenient to both parties, without further reference to the President or other officer authorised by him as above.

(6) *Saving clause.*—The provisions of this Regulation are not intended to, and shall not operate to, limit in any way powers which the President may possess independently of the powers hereby conferred.

By Order,
C. SREENIVASIENGAR,
Secy. to Govt., Gen. & Rev. Depts.

GENERAL.

No. Pg. 710, *dated* 21*st December* 1898.

The following shall be added to Regulation 6 of the Regulations under the Epidemic Diseases Regulation, 1897, for municipalities other than those of the Cities of Bangalore and Mysore, and for towns and villages, published under Government Notification No. 9383—Mis. F. 21-96, dated 10th February 1898 :—

6. A. In any place or locality declared by the Government to be infected, no person shall occupy any deserted house before obtaining a certificate from the Deputy Commissioner or other officer appointed by him in this behalf, that such house is habitable without danger of infection to its inmates.

6. B. (1) If and whenever, in any place or locality declared by the Government of Mysore to be infected, any building or part of a building, which has been vacated or deserted by the inmates thereof, and which there is reason to suspect is infected with plague, is found to be fastened or locked up, the Deputy Commissioner or, subject to the general or special direction of the Deputy Commissioner, the District Plague Officer or other officer deputed by the Deputy Commissioner or District Plague Officer in this behalf, may, by a written notice affixed on the door, require that such building or part of a building be opened within such time, not being less than twenty-four hours, as may be prescribed in such notice ; and at the expiration of the time so prescribed, the said Deputy Commissioner, District Plague Officer, or other officer so deputed or any person authorized by any of them in writing may, in the presence of a panchayat consisting of two or more respectable inhabitants of the locality, and between sunrise and sunset, enter any such building or part of a building, using for this purpose such force as may be necessary, and cleanse, disinfect and ventilate the same, and remove and disinfect or destroy any grain, bedding or clothing or any other goods or articles found therein. After such building or part of a building has been dealt with as above, it shall be re-locked, and its occupation prevented for so long as the said Deputy Commissioner, District Plague Officer, or other officer so deputed may deem necessary.

(2) A list shall be prepared of all movable property found in any building or part of a building dealt with as above, and signed by the officer in charge of the above operations and panchayat aforesaid.

(3) The owner of such movable property or some person in his behalf shall, in every instance, be permitted to attend, and a copy of the list prepared as above shall be delivered to him if he so desires.

(4) The owner of such movable property shall be responsible for taking charge of such property at the time when action as aforesaid is taken, or, in the case of an article requiring disinfection, so soon as the same has been disinfected ; and in default of his so doing, the officer in charge of the operations may cause such property to be placed either in the said building or part of a building or in such other place as he may think fit ; and neither the owner nor any person interested therein shall have any claim for compensation, damages or otherwise, in respect of loss or damage to such property however caused during the removal thereof or at any time thereafter.
