This was detained in the large
file about reduction of Plague
Examinations came back from the
State. I saw that file and with
contains any special reference to the
points now raised by the Com.
Submitters that this one further
statement can be now of very little use
& with the Ambulance Corps may
be abolished. The Ambulance Corps

can be started again if
necessary. I quite concur.

To The Secretary to Government,

Department,
Madras.

Sir,

There being very little plague
now in Mysore, only a few cases
at Kolar gold fields and
Mysore City, I have the honor
to enquire if ~~my~~ frontier
Station at Chigalabailu
~~might~~ ^{may not} be closed. I do not
see any use in keeping
it open longer and propose
to close it, but I would retain
the

the buildings in charge
of a couple of watchmen
till we see what plague
means to do after the hot
weather. I also think we
may now disband the
Madanapatti Ambulance
Corps. There is no likelihood
of their services being
required for some time
and we cannot keep up
for even a corps of that
description in view of its
being possibly required
some day. I am also sending
back to their duties the tal-
peons employed at Madana-
patti to assist the private
Kavals round the town, and
beg that this action
may

may be approved.
