The Editor of the Standard

Godanuri

Most Honourable Sir

I most respectfully beg to submit the following lines, with the fullest hope that my Case will be duly Considered.

Article 503 (c) Chap: XVIII of the Civil Service Regulations says, that Careful consideration should be exercised before compelling a subordinate to retire, after the age of 55 years so that he may not suffer by being deprived of his appointment, while Capable of discharging his duties & the Finance of the Country might not suffer, by his being prematurely thrown upon the Pension List.

While the ruling is so, the asst Inspector
of L. F. accounts, I venture to say, in the interest
of his subordinates (that is to Comptroller V. Sanford have
Rank of his office in my permanent appoint-
ment of Local Head Audit Clerk) requested
your honor "that particular care be taken
that no further extension is applied for", vide
his no 2 L. F. 24 dated 5. 12. 98; in which your
honor asked the President District Board to
transfer him permanently to Local Funds,

vide no. ³³⁶ dated 29. 12. 98. But the President
has said that my services will not be required
by the District Board from 1st April next,
vide no. ¹⁹⁷⁵ dated 15. 12. 98; which is also
contrary to the ruling laid down in the
Article 62 of the L. F. Code - "There is no
restriction as regards the age up to which
the Local Boards may retain any of their
servants in their employ."

I am an old servant of the Board, having
services rendered for upwards of 14 years,
both as District Auditor & Engineer's Head
Accountant; & the Board in the interest of
the Department, have retained my
service for more than 11 years - that is since
1887, having obtained necessary orders from
Government. But now to refuse me to be
in service for a year more, without considering
my service, the responsible duties performed
by me, the way, in which I tried my best
for the improvement of L. F. Accounts &
procedure and the hard usage I had
under Local Funds, is a matter for consideration
of a compassionate soul. If I am not able
to work for some time longer, & if I am

not compelled by necessity to do so, I
would be glad to retire now only, as I
served the Government & L. F. Boards for up-
wards of 37 years -

I have no other alternative than to
entreat your honor to consider my case
and to arrange that I may be permanently
transferred to Local Funds even for a year,
without my present pay of Rs 80, & the permanent
contribution, now being paid from Local
Funds, being affected, for which act of
kindness, I shall, as in duty bound ever
pray.

I beg to remain
most respectfully,
Your most obedt Servt
G. B. Appalarajah
Head Accountant.

No. 354

5-2-99

Forwarded to the Collector for favorable
consideration. The Accountant's petition
appear to be based on rules and I would
prefer his remaining for another year to
having a fresh Head Accountant.
My clerical office have so many new

+ undrained here, who have lately been
put in, that in the interests of work it
would be better to have no more for a time.

The Head Accountant is quite able and fit
for his duty so that he cannot be
sent away on the case of unfitness.

I would therefore recommend that his
petition be granted and that he be
transferred on his present pay to L.F.
This would enable the Inspector to
confirm the auditor as he wishes.

B. Appalanarayana naidu, the present Auditor,
whose work has been characterised by intelligence
& conscientiousness. (vide report of Inspector of
Local Fund Accounts on his examination of the
Local Fund Accounts of the Godavari Circle for the
period from April 1883 to July 1884 communicated

The Auditor's report, which is full, discloses many
irregularities. Attention is promised to his suggestions.
The Chairman (of Coconada Municipality) should look
into the matter himself that all the necessary reforms
are carried out. Statements I. II + D.B. should be
altered so as to correspond with his balance sheet.
(vide G. O. no 548 M. F. dated 21st September 1885).

The accounts may be said to have been on the
whole satisfactorily maintained, the Local Audit
Clerk B. Appalanarayana having discharged his
duties with sufficient care & intelligence. (vide

From August 1884 to December 1885 Communicated
in G.O. no 690 L.F. dated 23rd June 1886.

He has done his work very well indeed while in
this District -

(20) W. S. Foster
Collector -

B. Appalnarasayya naidu worked under my
supervision as Head Audit Clerk for upwards of
2 years. He is thoroughly acquainted with duties of his
office. He has given me satisfaction. He is intelligent
hard working and conscientious. He had lately been
transferred as Head Accountant in the Local Fund
Engineers' office, I believe on equal salary.

(20) K. Subbarayudu
By Collector

B. Appalnarasayya naidu is an experienced
Accountant and has got up many of the arrears
left by his predecessor. To lose him now will be
most detrimental to us - (vide Engineer's letter
no 89 dated 6.7.89 to the President District Board).

B. Appalnarasayya, Local Fund Engineer's
Head Accountant, is an Accountant of experience,
having served for a long time in the Survey
and Public Works Departments. Latterly he was
Local Auditor both in the Vizagapatnam
and this District, vide President's letter
no 15 dated 7.2.90 embodied in G.O. no 903 L
Local & Municipal dated 19.4.90

The Engineer's Head Accountant B. Appalnarasayya
is an able and hard working official and is well
qualified for the efficient discharge of the duties
of his post, but having joined the office when
its work was heavily in arrear, he has not
shown so much improvement in current work
as he might otherwise have done - (vide Report
of Inspector of Local Fund Accounts on his
examination of Local Fund Accounts of the
Godavari Circle for the period from January 1889
to May 1890).

It is proposed to raise the pay of the Engineer's
Head Accountant from Rs 70 to 80 inclusive of pensionary
contribution. Since the amalgamation of the two
Circles into one and the Constitution of the Salary
Boards in this District, the work in the Engineer's
office has considerably increased. It appears
that the Head Accountant in the Engineer's
office at Krishna, where the work is not so
heavy as in this District, is allowed a maximum
pay of Rs 80. The present Head Accountant
was drawing Rs 80 when he was the Local Fund
Auditor of this District, and his salary was
reduced to Rs 50 in the reorganization of the
Audit Establishment. Mr. Anthony in his
Audit Report of the Current year, remarked
that the present Accountant is an able

and hardworking official and is well qualified for the efficient discharge of the duties of his post. (vide G.O. no 474 L. dated 5th March 1891).

B. Appalnarasayya has continued to fill the post of the Engineer's Head Accountant and merit the opinion expressed of him in the last report (vide Inspection Report for the period extending from June 1890 to February 1891).

The post of Engineer's Head Accountant was filled by B. Appalnarasayya Naidu, who possesses several good Certificates & merits them. He has much to do, the work being ordinarily heavy in a large District like Gadagari & & (vide Inspection Report for the period extending from March 1 to March 2).

B. Appalnarasayya of whom mention was made in para 15 of the last notes, continued to fill the post of Engineer's Accountant - He is not unmindful of the defects in the accounts, submitted to his office, judging from the Result Statements and Circulars issued thereupon (vide Inspection Report for the period extending from April 92 to November 1893).

5
The Engineer's Head Accountant who had been a Divisional Accountant in the D.S.W. and latterly the Local Audit Clerk in the same District, appears to have also done his work with intelligence (vide Inspection Report for the period extending from January 1895 to December 95).

As far as I could judge Appalnarasayya the Engineer's Head Accountant & & is a capable and careful man (vide Inspection Report for the period extending from June 96 to December 96).

If Appalnarasayya the Engineer's Head Accountant has failed in spite of his considerable past experience both in S.W. Accounts and Audit, to show better results hitherto, it is I think due chiefly to the District being a large and heavy one and rendered more so by the Special Accounts above referred to (vide Inspection notes for the period extending from January to September 97).

B. Appalannarsayya is a good accountant

Most respectfully sheweth,
That your honor's petitioner was a
Divisional Head Accountant in S.P.W. at Wallah
years & efficient has
he was also not
so well fitted as
to be required on a compensation pension, owing to
the reduction of the Establishment of that
large office establishment.
He entered the L.F. Service
in 1880, as Head Auditor in the President's
office at Vizagapatnam.

2. That in 1883, he was appointed by the
Accountant General, as Auditor of this District.
a salary rising from Rs 75 to 100.
That in 1885, the Audit Establishment
was reorganized & he was transferred to the
Imperial Department (Treasury) on the
reduced salary of Rs 50 under the designation
of Local Audit Clerk.

This appointment being pensionable he
had to give up his ^{compensation} pension, referred to above.

4. That in 1887 his services were required

in the L.F. Engineer's office, as Head Accountant
& were therefore lent to the L.F. Board under the
special orders of Government & this loan of
his services will continue up to the end of

5. That the Assistant Inspector of L.F.
Accounts in his no 2-L.F-2a dated 5-12-98,
³⁴⁸ requested the Collector that particular
care be taken that no further extension
is applied for - This he did to confirm
his office head (who has been acting
for the petitioner) in his permanent
Appointment of Local Head Audit Clerk.

The Collector then asked the President
District Board to transfer him perman-
ently to Local Funds as already suggested
by the Accountant General & Inspector
of L.F. Accounts in his letter no L.F-2a
⁵⁶³ dated 16-3-98. But the President in his

Order no 1975 of 15-12-98 said that his services
²⁰¹³ would not be required by the Board.

6- That your honor's petitioner, then,
requested the President to allow him
to continue in the Service even for a

year more, pointing out that under article
503 (c) Chap: XVIII of the Civil Service Regulation
he could be retained in service till the
age of 60, and that under Article 62 of the
L.F. Code up to any age under the Local
Boards and that he was able to work
for some time longer; as supported by
his Engineer's vide Endorsement no 354 dated 3-2-99
on his petition dated 5-2-99 (copy enclosed).

7- That your honor's petitioner further begs
to represent to your honor that his age
will be 57 years 7 months, by the 31st March 99,
and though he is able to work for some
time longer & though he has rendered
responsible duties both as District Auditor
and Engineer's Head Accountant for upwards
of 44 years under the Board, yet the President
has not been pleased to obtain sanction
to transfer him permanently to Local
Funds or for an extension even for one year,
stating that "it is not desirable to move
Government & to sanction his permanent
transfer to Local Funds for the sake of one year

further extension, as the last extension was sanctioned under Article 62(1) of the L. I. Code (vide Ref: in Cur: no 189 dated 7.3.99 Copy Enclosed).

8. That if the petitioner serves for one year more he will be entitled to full half pension ie Rs 40, where as if he is made to retire by the 31st March 99 he shall get a pension of only Rs 39 and odd. Hence the petitioner's request to the President to obtain sanction for an extension or to transfer him permanently to Local Funds for one year more; but to his misfortune his request has not been granted.

The Government has been so kind towards their old servants of his standing as to lay down the ruling that due consideration should be exercised before compelling them to retire, so that they may not suffer, while being able to work. (vide Article 503(c), Chap. VIII of the Civil Service Regulations).

9. That the petitioner further begs to submit that if he be retained in the service at least for a year more there will be

no loss to Local Funds but rather gain, for he now gets Rs 80, but if he retires he shall get a pension of Rs 39 and odd and his Successor Rs 70-

10. That his work under the Board has been favourably noticed by all the officers under whom he served, & also in all the Inspection Reports; which is evident from the enclosed Copies of testimonials -

Under these circumstances your honor's petitioner earnestly entreats your honor will be graciously pleased to take his case into kind consideration & to obtain sanction of the Government for his being permanently transferred to Local Funds till he attains the age of 60 years or till he is found unfit for further service (vide Article 62 of L. I. Code) without his present pay of Rs 80 & the pensionary contribution, now being paid from the Local Funds, being affected; for which Act of generosity he shall as in duty bound ever pray -

He begs to remain most honored Sir,
