To
The Chairman,
Municipal Council,
Ongole.

Res. Ammedhi,

We the under signed oil mill owners
of the Ongole Municipality humbly beg to
bring to your honor's kind notice the following
facts for favourable consideration.

From time immemorial we have been
carrying on this profession.

12 years ago the Municipality directed us to
obtain licenses for carrying on our trades in this
Municipality and fixed a rate each as the license
fee for every year. At this rate we have been
paying license fees regularly up to 31st March 98.
But to our misfortune last year we are directed
to pay Rs 200 for taking out licenses from
the commencement of the official year 1898-99.

2
7561/24/99

We do not know why the old rate of Rs 1-0-0
is so enhanced when we are unable to pay the
old rate of fees. It is a great hardship on us
to raise license fees all on a sudden to Rs 2-0-0
for our mills. Our profession has altogether
gone down owing to the several improvements of
oil machines worked by fire introduced
by merchants of this place into the
municipality which extract oil on a
much larger scale.

2. By the introduction of these high order
of machines we have lost considerably
our profession and we are reduced to beggary.

Further these are hard times and it is to be
a great burden for us to pay the additional
Rs 1-0-0 imposed on us. If the present rate of
license fees is not reduced to its original
rate we have to discontinue our professions
and will have to go to some other place
for seeking some other profession.

During the late famine many of us

entirely left our professions and are actually
straining for want of food.

Under these circumstances we humbly
request your honor to consider our case fully
and grant us justice by placing our
petition before the Council and recommending
to Government for reduction of the present
scale of license fees to original rates.

3. We have not as yet commenced our
profession for the year 1899-1900, being unable
to take out licenses paying in advance of
scale of license fees. It is for this reason
that many of us did not take out licenses
for 1898-99.

Sir,

In submitting herewith the resolution
of the Council to reduce the rate of license
for (item no 14) Sanction of G. O. No. 2700 of 1899
for oil mills (country) I have the honor to request
you will kindly obtain the sanction of Government
for the same.

15/6/99

There are in Cngole about 12. such
 country oil mills and the rate of license
 fee hitherto charged Rs 10. The Council
 raised this amount to Rs 2 the year before
 last with the sanction of Government.
 but on re considering the matter now on a
 petition from the oil mongers the Council
 have resolved to reduce the fee to the former
 amount.

It is mainly on the strength of the facts
 stated in the petition (which are true) that
 the Council have passed this resolution.

Since this reduction will not materially
 affect the finance of the Council I request
 that Government sanction may be obtained.

I have the honor to be
