* Retired Hospital Assistant.
† The allowance was not shown in the statement
for March as the incumbent being a pen-
sioner, his pay and allowance were under
consideration. His services were dispensed
with from the 18th April 1899.
‡ The difference in the date between this and the
statement for March is due to the fact that
the services of these actually began on the
17th though they were appointed on the 16th.
The services of all the preventive staff were dis-
pensed with from the 6th April 1899.
