GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

Read—the following Reference of the Board of Revenue (Land Revenue), B. No. 56, dated 27th February 1899:—

Read—letter from R. MORRIS, Esq., Acting Collector of Kistna, to the Secretary to the Commissioners of Land Revenue, Madras, dated 15th June 1898, Dis. No. 3253-Genl., and Reference thereon No. 783, dated 16th July 1898.

Read—also endorsement from the same officer, dated 3rd February 1899, Dis. No. 288-R. Genl.

Reference—B. No. 56, dated 27th February 1899.

In the village of Vuyyuru, in the Nuzvid taluk, Kistna district, there is a charitable inam measuring 7.01 acres, assessed at Rs. 18-15-9 and bearing a jodi of Rs. 3-15-0 payable to the zamindar. It was granted for the maintenance of a charitable tope and accordingly confirmed by the Inam Commissioner in the name of one V. Perrazu under title-deed No. 494. The tope, however, having been planted on zamindari land was subsequently taken possession of by the zamindar and the charity was discontinued. It has also been found that the inamdar alienated a portion of the inam by sale in May 1891. The Collector therefore in his letter dated the 15th June last recommended that the inam be fully assessed and that the assessment be credited to Land Revenue. The Board, however, having regard to paragraph 2 of G.O., No. 1159, dated 2nd August 1875, requested the Collector in its Reference No. 783, dated 16th July 1898, to ascertain and report whether the Taluk Board was willing to take up the assessment, if permitted to accumulate the income and utilize it, as occasion might arise, for some specific charitable purpose within the local limits of its jurisdiction.

2. With his endorsement last read above, the Collector now submits a resolution of the Bezvada Taluk Board in which it signifies its consent to accept the assessment on the inam without specifying the charitable purpose for which the income is to be utilized. The Head Assistant Collector, who is also President of the Taluk Board, however states that the utility of specifying a definite charity is doubtful and that the Taluk Board will spend the amount on the best possible purpose as occasion may arise.

3. In these circumstances the Board requests the sanction of Government for the resumption of the inam and the transfer of the assessment *minus* the jodi to the Taluk Board, subject to the condition that the income is treated as an endowment and expended on charitable purposes.
