SUBJECT.

Explanation of the Hospital Assistant at Sripersumbatur for refusing to sign certain passports presented before him.

FOR ORDERS.

The Health Officer reported to the P.C. that the Hospital Asst. at Sripersumbatur in the Chingleput D. refused to sign a passport when the holder thereof presented himself for observation before the H.O., on he found that the duplicate he was not in receipt of the duplicate passport; and the papers were forwarded to the Collector of Chingleput to obtain & forward the explanation of the Hosp. Asst. for so refusing. The Collector has now forwarded the explanation. The Hospital Asst. thinks that the passport holder should have left the Station on the 16th in accordance with his

instructions given to all the passport holders that appeared before him on that date, and that the individual in question could not have appeared before him or for observation on the next day.

Accepting the statement of the passport holder made to the Plague Inspector, there is nothing on record to show that the Hosp. Assistant refused to sign the passport; nor does it appear that the passport holder tried to evade the Regulations, inasmuch as he has subsequently reported himself for observation before the Plague Insp. Madras, during the successive days.

The Health Officer in the concluding portion of his report to the Pres. M. C. states that there have been one or two instances in which original passports were not signed because their duplicates were not received.

Submitted that the papers may be recorded, and Collectors asked to instruct the local authorities in their D. O. that they shd. never refuse to sign the original passports that may be presented before them,

frequently reported that the

that the hosp. Asst. refuses to sign the passports presented to him by the holders, in those cases where he is not in receipt of the duplicate passport or of the intimation slips. If what the Mague Insp. says be a fact, the Hosp. Asst. is to blame. In the present case, however, the Mague Insp. reports that he did intimate the Hosp. SIR,

In the reference to your memorandum No. 679999
of 5th instant, I beg to state that the Passport holder, in
question, presented his passport along with others on the 16th
ultimo and obtained my signature. Each and every one of
them that attended on that day was strictly asked to quit
the place at once, in accordance with the Notification posted
in the Fort St George Hospital of March, 28, 1899.
Paps. 111 & 112, in which it is clear enough to prohibit the
entry of such persons into this town during the festival because
and to turn them back, if they had already come in. Besides
this they were sent out of the Village Municipality to the Dy.
Lahori for his disposal, as per his No. 4999/14.4.99
(Copy enclosed)

It could be seen from the passport, on the 17.4.99, the
passport holder is marked absent, from what station, he was
absent is not clear. From the above circumstances, it is
evident that the passport holder should have left the station
on the 16th and could not have presented his passport on the
17th for my signature. Therefore I beg to submit that I
fail to see how I refused to sign his passport on the 17th
