Victoria College with effect from the
1st April 1899.

20. Read letter No. 54 dated 16th March 1899
from the Principal, Victoria College,
requesting that, in the circumstances
stated, he may be granted an addi-
tional personal allowance of Rs 50
per mensem from 1st April 1899 to-
gether with his letter No. 54 A dated
25th March 1899 on the same Subject.

The Council unanimously
resolve to give an additional personal

allowance of Rs 50 to Mr. Barrow
with effect from 1st April 1899 subject
to the approval of Government.

3. Mr. Barrow joined the Victoria
College on the 4th August 1890, his appoint-
ment having been sanctioned in G.O.
No. 1104. M. mis dated 28th July 1890, which
is as follows:—

"The appointment of Mr. Barrow to be
Headmaster of the Victoria Jubilee
College, Palghat on a Salary of not less
than Rs 300 a month is sanctioned
on the following Conditions:—

(1) That the net Cost of the College and
High School Departments shall at
no time be greater than it was
in 1889-90.

(2) That when in any one half year
the number of Students in the College
and High School is greater by 50
than it is now, Mr. Barrow shall be

paid Rs 350 a month from the beginning
of the next half year; that, when in
any succeeding half year the number
of students is greater by 100 than it
is now, Mr. Barrow shall be paid Rs 400
a month from the beginning of the
next half year; that similar increments
of salary shall be given at similar inter-
vals for similar increments in the number
of pupils up to Rs 500 a month, and
that conversely, after the salary has
been increased in this way it shall
be similarly decreased when de-
crements in the number of pupils
occur down to Rs 300 a month.

2. It is observed that the Council pro-
poses to leave open the question whether
after the number of pupils has increased
and Mr Barrow's salary has been raised
accordingly, it should be reduced if
the number of pupils diminishes, but Govern-
ment cannot approve of this."

The number of pupils rose rapidly

under the management of Mr Barrow, and
the full allowance of Rs 200 sanctioned in
G.O. No 1104. was finally drawn by Mr Barrow
with effect from 1st January 1892 in accord-
ance with the order of Government Con-
tained in para 3 of G.O. No 783. m.-mis dated
6th May 1892. The increase in the number
of pupils and the success of the institution
in the University Examinations as shown
in the subjoined statement testify to the
good work done by Mr Barrow during a
period of nearly 9 years ending with
31st March 1899.

The financial condition of the College will be seen from the following statement showing the receipts and expenditure of the institution for 9 years. I need hardly say that since Mr Payne's resignation of his appointment as Vice Principal from 1st April 1897 and the abolition of that appointment from that date, the College has worked at a profit every year.

In his, first letter read in the above resolution,

the Principal writes to me as follows:—

"5. I now ask the municipality to grant me an additional personal allowance of Rs 50 per mensem with effect from 1st April 1899. I may point out that since G.O. No. 1104 en-mis dated 28th July 1890 was passed the rupee has been greatly depreciated and that as I am not a Government Servant I draw no Compensation allowance.

"6. Since Mr C.H. Payne's resignation in April 1897, I have had no European Assistant, and my work has thus been greatly increased."

In these circumstances, the Council have resolved to grant an additional allowance of Rs 50 per mensem subject to the approval of Government. I need scarcely mention that the Council propose to raise a

loan of Rs 10000 in the current year for an additional College building on the understanding that "the loan be liquidated out of the Savings accruing from "the working of the college every year," and that the present state of the municipal finances are also not quite favourable. But the College has been working at a profit since 1st April 1897, and can also be expected to do so in future, if, as I believe, the present state of the efficiency of the institution is continued. I beg therefore to recommend that the Council's proposal may be sanctioned, especially in recognition of Mr. Barrow's best efforts for the improvement of the Victoria College, Palghat.

5. In this connection I beg to

mention that when the College Budget estimate for 1899-900 was submitted by the Principal through the Educational Department, Mr. Logan, Inspector of Schools, Western Circle recommended (quite unsolicited by the Principal) as follows:-

"In consideration of the large balance "in favour of the College and of the "good work the College has been doing "for the last few years, I would strongly "recommend that the Principal's Salary "be raised to Rs 600-----by an Annual "increment of Rs 20----."

On the above, Dr. Duncan, Director of Public Instruction made the following remarks in para 2 of his letter No 12829 dated 10th November 1898 addressed to me on the Educational Budget Estimate of the Palghat Municipality for 1899-900:-

"The Inspector's recommendation for raising "the salary of the Principal may be

"considered next year. In any case,
"the proposal should form the subject
"of a separate communication."

6. On the 15th March last, the Council adopted the following resolution:-

"17. Read letter from the Principal, Victoria
"College, No. 42 dated 9th March 1899 pro-
"posing certain arrangements consc-
"quent on the death of K. Chandu Panikkar
"the Malayalam munshi of the College
"and recommending an increase
"of Rs 5 towards the pay of the Senior Sanskrit
"Pundit and stating about the necessity
"for a Tamil Pundit in the College.

"The proposals are sanctioned subject
"to the approval of Government."

7. Owing to the death of the permanent Malayalam pundit who was drawing a pay of Rs 25 per mensem, it is proposed to reduce the pay of the new Malayalam

Pundit to Rs 20 per mensem and to raise the pay of the Junior Sanskrit Pundit from Rs 15 to Rs 20 per mensem. This proposal does not involve any additional expenditure and may therefore be sanctioned.

8. The next proposal is to increase the pay of the Senior Sanskrit Pundit from Rs 25 to Rs 30 per mensem with effect from 1st April 1899. About this Pundit the Principal says that he "has served "the municipality faithfully for 14 "years, and has very heavy work." Since his connection with the College, the study of Sanskrit has become very popular and the number of pupils taking up Sanskrit for their optional language has vastly increased. In these circumstances the Council propose to give the Sanskrit Pundit an

increment of Rs 5 per mensem.

9. The last proposal is to appoint a Tamil munshi on Rs 20 per mensem. On this subject, the Principal writes as follows:—

"Finally I think it advisable that "the services of a good Tamil munshi "be engaged on Rs 20 per mensem "from the reopening of the College "after the Hot weather vacation on "8th June next. I often have en- "quiries as to whether we teach Tamil, "and I am given to understand "that the appointment of a good "teacher of Tamil would probably "lead to so many more pupils "joining that the small extra ex- "pense would be more than covered."

A similar appointment was sanction- ed in G. O. No. 783. in. this dated

6th May 1892, but it was not filled up, apparently for want of Tamil pupils.

10 The necessary proposition Statement and the application for allotment of funds are herewith submitted.

I beg to solicit the early orders of Government.

I have the honour to be,

Sir,

Your most obedient servant,

Chairman.

increment of Rs 5 per mensem.

9. The last proposal is to appoint a Tamil munshi on Rs 20 per mensem. On this subject, the Principal writes as follows:—

"Finally I think it advisable that "the services of a good Tamil munshi "be engaged on Rs 20 per mensem "from the reopening of the College "after the Hot-weather vacation on "8th June next. RECEIVED 1899

Recommitted to Government with the strong recommendation that all the proposals of the Municipal Council be sanctioned.

2. Mr. Barrow is one of the most experienced and most successful educationists in the Presidency. He has raised what was on his going to Palghat a very mediocre institution to the front rank among second grade Colleges. The College is financially prosperous & able to meet the increased charge, and Mr. Barrow well deserves the proposed increase to his pay.
