27th MAY 1899.

FROM,

R. M O R R I S Esqr.,

COLLECTOR, KISTNA DISTRICT.

To,

The Secretary to Government,

Local & Municipal Department.

FORT SAINT GEORGE.

Sir,

I have the honour to state that, with reference to the instructions contained in G.O., No. 893, P., dated 24th August 1898, I directed the Medical Subordinates at Chirala, Bapatla, and Tenali, Stations on the Bezwada-Madras Railway, to attend all trains by which persons coming from plague infected parts are likely to travel and to examine passengers from such tracts alighting from the trains. There are two up and two down trains running daily between Bezwada and Madras, and they pass the stations in question at the marginally noted hours. The District Medical and Sanitary Officer reports that the average number of persons passing through these stations from plague infected parts is 4 a month and thinks that the inspection of the trains by the Medical Officer is unnecessary. As the trains pass these stations 4 times a day, and one passes in the very small hours of the morning it causes hardship, quite out of proportion to the benefits resulting from the inspection, to the Civil Apothecaries

at those places to attend the stations at all times. The duty of issuing pass-ports to persons arriving from plague-infected areas devolves upon the Station Masters, and I agree with the District Medical and Sanitary Officer in considering the attendance of the Medical Officers at the trains, on the chance that there may be passengers to examine, unnecessary. I therefore beg to suggest that their attendance may be discontinued, and request the favour of early orders on the subject.

I have the honor to be,
Sir,
Your most obedient Servant,

W. S. B. B. B.
for Collector.
