NOTE FOR THE Secretary.

In his letter to Mr. Hammick dated 25th May 1899, the Hon^{ble} Lieut. Colonel Sir George Moore requested that the result of his application for extension of leave might be telegraphed to him and undertook to bear the cost of the telegram. Orders are solicited as to whether the order on his application may now be communicated to him by wire and if so, whether the cost of the telegram may be advanced from contingencies of this office and recovered from Sir George Moore after his return. I understand that Mr. Ellis has sent a private telegram to Sir George Moore on the subject.

NOTE FOR THE Secretary

The Hon'ble Col Sir George Moore was granted furlough - not privilege leave for three months - vide page 177 of the Fort St George Gazette Part I-A of the 2nd May last. The extension now applied for, if granted, will not therefore affect the leave allowances of those three months.

Although the grant of leave under Section 45 of the City of Madras Municipal Act must be "in accordance with the leave Regulations from time to time applicable to the Fort Service", it is submitted that the provisions of those regulations as to the manner in which extensions have to be obtained do not apply in this case as the Hon'ble Col Sir George Moore is no longer in Fort Service. The Chief Assistant Public Deputy is also of this view but he thinks that in order to make sure it is advisable to make a reference to the Accountant General.

I hope, if you will lay this
letter before the Hon. Member
that he will look upon it as a
reclamation of frontiers and
not a cession of territory, and
view my request favourably.

I shall be much obliged if you
will telegraph the result to

Secy to Govt

Col. Sir S. Moore wrote to me
privately on his way home asking
if there was any hope of his 3 months
leave being extended to 6 - but
the question had already been decided.
As he has lost over a fortnight of his
leave through illness and there is
no threatening of plague to make
his immediate return imperative,
I have no objection to his obtaining
an extension. This however will
involve converting his priv. leave
into furlough, and a loss of half
pay. In these circumstances I
think, if H.C. concurs, that Col.
Moore may be granted an extension
of two months if he desires it -
his priv. leave being converted.
But must not Col. Moore's appln
be made to the Sec. of S. & must
not this Govt. intimate its assent
