Dated 13th May 1899.

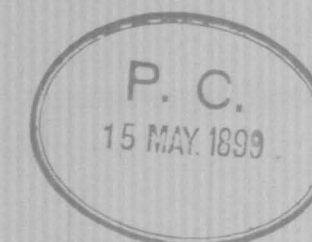

From

THE JOINT SECRETARY TO GOVERNMENT, P. W. D. (RAILWAY BRANCH),

To

THE Secretary to Government,

Local and Municipal Department.

The undersigned has the honour to forward the accompanying file of correspondence with the Government of Bombay on the subject of long detentions for plague examination at Hindupur and Yesvantpur and the consequent inability of the Southern Mahratta trains to maintain connections with the Madras Railway trains at Guntakal. The opinion of the Local and Municipal Department is requested as to whether there is any longer any necessity for maintaining Hindupur as an inwards (to Mysore) inspection station as well as an outwards station. It is presumed that there is no plague between Hindupur and Yesvantpur.

Hindupur Inspection St.

FOR ORDERS.

D

In October last was pointed out by the Post Master General Madras, that the S. M. R. train from Bangalore timed to arrive at Guntakal at 6.20 A.M. could not keep to this time as it was delayed at Yeswantpur and Hindupur on account of plague inspection and that the departure from Guntakal of the N. W. mail train (M. R.), which had to await the arrival of the train from Bangalore was also seriously delayed.

E

To obviate this inconvenience it was suggested by the Railway authorities that one of the Inspection Stations on

the Bangalore-Guntakal line - they
are only 58 miles apart - might
be abolished. The Resident in
Mysore had no objection to
close the station at Yewantpur;
and on a reference from the Resident
on this point the Government
replied that there was no
objection to the discontinuance
of the medical examination
at Yewantpur. But the
recreation of Hindupur Inspection
was considered to be absolutely
necessary. The closing of
the Yewantpur inspection
station should satisfy the
railway authorities.

~~In the current read above
the P. & D. requests to know
whether there is any longer
any necessity for maintaining
the Hindupur Inspection Station.~~

The Statement (X) shows
the state of plague in the
Bangalore-Mysore Province
through which the Guntakal-
Bangalore line passes.

NOTE FOR THE

it was ordered that the trains
both to & from Bangalore
should be examined. The
P.W. Dept now asks whether
it is necessary any longer
to maintain both the inward
& outward inspection. As
regards the inspection of trains
from Bangalore, it has the
Plague Commr. recently reported
"There is still plague in Kolar,
Mysore & other parts of Mysore
State and it is not advisable
to close the inspection station at
Hindupur" and the Government
agreed with him (G.O. 7159 dt
10-5-98). The P.W. Dept may
be informed accordingly. As
regards the inspection of trains
to Bangalore, the Resident
in Mysore may be consulted
before ordering its discontinuance,
as it is for the benefit of the State
that this inspection is conducted.

Ref. Your Office note No 200
R.N. d/13-5-88.

For there is still plague
in the Kolar gold mines & in
other parts of the Mysore State
and the Govt has decided that
the inspection of trains at
Hiridapur of trains from Bangalore
should be continued as long as
there is plague in Mysore.

2. As regards the inspection
of trains to Bangalore, this
was undertaken in the interest
of Mysore. The Resident will
be asked whether such
inspection is any longer required.
