DD No 1033 of 99
Rev

Madura Collector's Office
Camp Batlagundu
Dated 5th June 1899.

From

J. G. D. Partridge Esquire
Acting Collector of
Madura.

To

The Secretary to Government
Local and Municipal Department
Madras.

Sir,

With reference to Government Order —
Reference on C no: 4800 dated 16th May 1899,
I have the honor to state that the District
Medical and Sanitary Officer represented to
me that the Sanitary Inspector employed by
the Municipal Council, Madura, on special duty
for observing plague-passport holders etc is a
"certificated Sanitary Inspector" and that —
under Government order no: 57P dated 9th
January 1899, he was entitled to the salary and
allowances referred to in para 2 (1) of the Sanitary
Commissioner's letter therein read.

2. It appears from the Sanitary Commissioner's
letter referred to, that the rates of pay and —
allowance to Sanitary Inspectors are to be
regulated according to their class as defined
by him, irrespective of the fact that they are
employed on actual plague duty in affected districts.

or on duties connected with plague observation in non-infected districts.

3. Government Order No 57 P dated 9th January 1899 and the Plague Commissioner's Proceedings No 380⁸¹ dated 9th February 1899 read together seemed to me to leave no option in the matter of disbursement of pay to Sanitary Inspectors and so I forwarded the District Medical and Sanitary Officer's letter to the Chairman with the remark that the Inspector should get Rs 45-~~00~~ pay according to the rules but no allowance besides would be sanctioned. The Municipal Council accordingly sanctioned the increase of pay from Rs 25 to Rs 45.

4. In a town like Madura, the Sanitary Inspector has, of course, to do a lot of observation work; but at the same time, it must be said that the no. of passport holders is decreasing.

5. If the Government Order already quoted is not to be understood as fixing once for all, the pay of Sanitary Inspectors, I do not think the Municipality should pay Rs 45 per mensem, so far as the duties of the Inspector are at present concerned.

I have the honor to be
