BELLARY COLLECTOR'S OFFICE.

Dated 6th June 1899.

From

E. A. Elwin Esquire

as COLLECTOR OF
BELLARY.

To

THE Secretary to Government
Local and Municipal Department.

Sir,

I have the honour to reply to the proceedings of Government Ref on c No. 4807 / 18.5.99:—

(a) The Special Deputy Tahsildar at Hospet and his establishment were dispensed with at the end of last month.

(b) There are still 2 Railway Frontier Inspection Stations, 21 Road Frontier Inspection Stations, and 11 Observation groups consisting of 49 circles in the district. The passport checking business is still very heavy. The daily average number of passports issued in the district during the past 2 or 3 months having been nearly 600. I do not therefore see my way to surrender just at present any of the additional clerks and accountants. The recent exclusion from the list of infected areas of several places and railway stations in the Presidency will, however, perhaps result towards the end of the month in a considerable reduction in the work to be done in connection with the passport system, and should such be the case I shall take early steps to reduce the special establishment.

(c) The District Medical and Sanitary Officer reports that one of his three clerks is entirely occupied in writing up the register to be maintained under additional regulation VII by him as the local authority of the Bellary town and that until the precautionary measures are considerably relaxed he cannot possibly do without the present establishment. I am of this opinion.

(d) I consider that there should be 2 European or Eurasian nurses at each of the Railway Frontier Inspection Stat at Hospet and Tungabhadra, if Government wishes *every* train to be inspected by a woman of this class, for the day and night work taken together is too heavy for a person to perform single-handed for any length of time. If, on the other hand, it is ruled tha the less important trains, viz, the day trains at Hospet and the night trains at Tungabhadra, may be inspected by a native midwife acting under the orders of the Medical Officer or Assistant Medical Officer in Charge of the Station, 1 of the 2 nurses can be withdrawn from each Station and replaced by a native midwife on greatly reduced pay.

(E) Except at Chippagiri, it has never been found necessary to have more than one nurse for each Ambulance Staff. Only one nurse is at present employed: she is a member of the Staff held in readiness at Bellary under additional regulation 10. A qualified native woman may in the opinion of the District Medical and Sanitary Officer and myself be appointed, should the necessity for the services of a second nurse arise in future.

(f) With reference to para 4 of the proceedings under reply, I beg to state that I have already submitted certain proposals for the reduction of establishments (This Office Letter $\frac{1264 P}{18.4.99}$ to the Plague Commissioner) and that I am now trying to reduce the menial Establishments at the 2 Railway Frontier Inspection Stations.

I have the honour to be
Sir,
Your most obedient Servant.

The Collr is requested to report whether a Special Dy Tahr is still required for ~~this~~ Hospet and whether the number of clerks entertained in his office & in that of the D. M. & S. O. may not be reduced.

2. He is also requested to state whether 4 European or Eurasian nurses are required for ~~the~~ inspection duty at Hospet and Tungabhadra. It should be considered whether one of the two nurses attached to the ambulance Corps may not be replaced by a qualified native woman.

3. Lt Ames appears to be entitled to a plague allowance of Rs 200 & not Rs 100 as shown in the list. His pay should not have been included, as it is not debitable to Plague budget. The allowances of the non Commissioned Officers & privates should have been given x
