Ref.

In order. A grant of local allowance is admissible under the Act of India Resoln printed in D.C. Supp No. 242 of 26-1-99, but in this case, the D.M. & S. endorsement shows that there is not sufficient ground for granting any extra remuneration. It is further undesirable that the same officer should be in charge of the civil and the plague hospitals. The plague hospital must be in charge of one who will have nothing to do with other patients.

SUBJECT.

Referring for favour of opinion and return an application from Civil Apothecary P.B. Gibbons at Hoar for a special plague allowance.

I ordered the Asst. Commr. of Police to report.

The order was made. The Civ. M. is put in charge of plague work. He has been. It may be remarked that it is undesirable to a medical officer do ordinary as well as plague work.

To

The Collector of Salem

Sir,

In reply to your letter No 676 of the 10th
 instant, I have the honor to inform you that the
 Civil Apothecary Hosur should be in charge of the
 Hosur Plague Hospital subject to the supervision of
 the additional Medical Officer as long as his Head
 Quarters are at Hosur - the ambulance staff may be
 utilized as much as possible for local purposes
 and even in case of the staff being moved out
 to any infected area sufficient servants for the
 Hosur Plague Hospital could probably be afforded.

Please &c.

THE SECRETARY TO THE COMMISSIONER OF North St. George

Madras.

SIR,

With reference to your Proceedings Ref.
Current No 2971 dated 11th March 1899 I
have the honor to submit copy of the District
Medical and Sanitary Officer's letter in which
I ordered the Civil apothecary to send
Mr Gibbons who is charge of the Plague
Hospital (10 wards) and Segregation
Sheds which are close to his Hospital.
The District Medical and Sanitary Officer
has stated the work he has to do.
His ordinary work is now but little
owing to the prevalence of Plague and
the evacuation of the town of Hosur.
Considering the increase of work, the nature
of the work, and the risks attached to
it, he is, I think, in fairness entitled to

to some extra remuneration, but I am
not aware that the present rules and
orders will permit it.

I have the honor to be

Yours most ^{truly} obedient servant
