Thro: the Plague Commissioner:
" the Honorable the Chief Secretary

D.O. No. 7 Camp. Ootacamund
7th April 1898.

My dear Sir,

May I request the favour of His Excellency's early orders on the various proposals submitted with my D.O. no: 5 of the 26th March.

In the above D.O. I proposed that Dr. Woodward on plague duty in Madras should act for Captain Grant without prejudice to his own duties. The District Medical & Sanitary Officer, Anantapur, now informs me through the Collector that the services of another temporary medical officer (Dr. Roberts) can be spared by them. I would therefore propose that Dr. Roberts be placed at the disposal of the President, Municipal Commission, Madras, in place

place of Dr. Woodward during the time the latter acts for Captain Grant.

Yours Sincerely,
(Sd) C. Sibthorpe

2. Dr. Roberts has nothing to do now at Cooty, but I do not consider that a Medical officer is really necessary in Madras now.
