The Surgeon General protests
against the replacement of
the two Eurasian nurses
attached to the Madanapalle
Ambulance Staff ^{by natives} as ordered
by the P.C. in Prop 929d/11489.
The latter are in accordance
with Hui's orders in his
note of 17.3.99 an extract
of which is put up below:

" I see that the P.C. considers
" that Hospital nurses on Rs 100
" a month are unnecessary.
" He should see where they
" can be dispensed with.
" Where European patients
" are likely to come for
" treatment such nurses
" may be of use, but nowhere
" else as the natives object
" to our treatment."

Russian nurses, ex-

Stations have been found
to be practically useless,
as no work can be
found for them, owing
to the prejudices of the
people. It has been
proposed to substitute
for these native nurses
at 1/4 of their cost, &
the proposal has been
approved by Government.

It is not intended to
appoint untrained
women. I understand
that trained women are
available: they belong
to the North West, as
General Dyer has told me so.
