BELLARY COLLECTOR'S OFFICE.

Dated 19. 3 - 1899.

FROM

R. H. Campbell Esq.

COLLECTOR OF

BELLARY.

TO

THE Plague Commissioner
Madras.

SIR,

With reference to your telegram enquiring whether Mr. Lever is required any longer for special plague duty I have the honour to report as follows:-

Plague has practically ceased in Alur and what little remains of it can be effectively dealt with by the Tahsildar and the Local Ambulance Staff.

Hospit still continues to report 1 or 2 plague attacks daily, but the whole town has been vacated and the chief problem to deal with there is the prompt and effective disinfection of the empty houses. Mr. Lever's

services will not be required for this purpose. If an European Officer should be wanted hereafter for special plague duty, Mr. Moore my Assistant Collector will be available.

2 Mr. Lever is at present in charge of my Plague Office at Bellary and I should like him to remain so until I return to Head quarters i.e. until the 28th of this month. He is in temporary charge of the Head Quarters Division in addition to doing plague work.

3 I see no necessity for retaining Mr. Lever on special plague duty after the 28th instant, as there will be practically no special duty for him to do. If he is to revert to ordinary duty, I would strongly urge that he be kept in Bellary as Treasury of Collector and allowed at the same time to retain his magisterial powers for use in case of emergency.

It is of importance that there should always be a 1st class European Magistrate at Head quarters, and

I shall be obliged to be out a good deal during April and May on account of Jarnabandi.

I have the honor to be

Sir,

Your most obedient Servant

J. H. R. S. S.
