Major Commissioner,

SIR,

Sir,
In anticipation of sanction
the special Plague officer, Arch,
appointed two store keepers
one on the 1st march and the
other on the 3rd march 1899. The
appointments of the former was
communicated to me and to
the Vice President, District Board.
The Vice President, applied to you
for sanction and you have
in your proceedings Ref. no.
3830 of 10-4-99, asked me to
explain the necessity for the
appointment. Meanwhile the
Special Plague officer applied
to me in his letter no. 85 P. of 99
dated 12th April 1899. to obtain
sanction for the appointment
of

of the second store keeper. I asked him to explain the necessity for this appointment. He reports that the extent and ^{the} shape of the outbreak necessitate the establishment of two plague stations in order that a working party may be despatched promptly if a case of plague occurs in any part of the town, and that two store keepers are therefore necessary to be in charge of the two stations. He adds that one of the stations may be closed at the end of this month as plague has subsided to a great extent. I have asked him to close one of the stations accordingly. Under these circumstances I request that you will be so good as to sanction the entertainment of the second store keeper.

I have the honor to be,
Sir,

SIR,

Memorandum Ref. No. 3830
and 4536, dated 12th May 1899,
I have the honor to forward
herewith a revised list showing
the appointments and the period
for which sanction is required.
The two additional Circle Inspectors
in Arcot were appointed by
Captain Pearse after he
assumed charge of the place
operations in that town. He
says that when he joined in
February last, he found that
four circle Inspectors were
insufficient for the town
of

1458P of 1899

of great owing to the increase
 in the number of plague cases
 and that he therefore appointed
 two additional Inspectors.
 He seems to have reported
 the appointments to the
 Plague Commissioner in his
 diary for the week ending
 2nd March 1899. The two
 additional Civil Inspectors
 and one of the store keepers
 were dispensed with on the 5th
 May 1899. The services of the
 other store keeper was dispensed
 with on the 28th May 1899. As
 regards the passport issuing
 officers at Virumpuram,
 Munnar, and Tiruvallam,
 I have furnished the necessary
 information in para 8 of
 my letter No 2084 of 99,
 dated 20th May 1899.
